ORDER MODIFYING THE ORDER ESTABLISHING PROCEDURE

Pursuant to the protest of the Notice of Proposed Agency Action, Order No. PSC-92-1208-FOF-EU, issued October 26, 1992, this matter was set for hearing. On December 15, 1992, the Order Establishing Procedure was issued (Order No. PSC-92-1447-PCO-EU), which set forth specific dates to govern the key activities of this case. By letter filed with the clerk's office on February 17, 1993, the only substantially affected person who filed a protest to the PAA Order withdrew her protest.

Accordingly, the dates concerning discovery, prehearing statements, customer service hearing and filing of direct and rebuttal testimony are suspended until further notice.

It is, therefore,

ORDERED that the dates of filing direct testimony, rebuttal testimony, discovery, prehearing statements and the customer service hearing are suspended.

By ORDER of Chairman J. Terry Deason, as Prehearing Officer, this 23rd day of February, 1993.

J. PERRY DEASON, Chairman
and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
