NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING EXTENSION OF TEMPORARY RULE WAIVER

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On May 12, 1992, Sebring Gas System, Inc. (Sebring) requested a temporary waiver of Rule 25-7.024, Florida Administrative Code. This rule, titled Rate of Return Report, requires regulated investor-owned natural gas utilities to submit rate of return reports on a periodic basis. The Commission granted Sebring's request. Pursuant to Order No. PSC-92-0725-FOF-GU, issued July 28, 1992, Sebring was required to file a rate of return surveillance report when the report for the quarterly period ended September 1992 was due.

On November 18, 1992, Sebring requested an additional waiver of one quarter. Because Sebring's rates have not been in effect for one year, we agree with Sebring that any rate of return surveillance report submitted prior to the period ending December 1992 would not be meaningful. Therefore, we grant Sebring's request for an extension of its temporary waiver of the filing requirements set forth in Rule 25-7.024. Sebring shall file its first quarterly report by February 15, 1993, when the report containing data for the 12 months ending December 31, 1992 is due.

If no notice protest is timely filed, this docket shall be closed.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court.
