ORDER INDICATING EXEMPT STATUS OF IES RIVER PARK LTD.
AND CLOSING DOCKET

BY THE COMMISSION:

On January 4, 1993, IES River Park Ltd. (IES) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. IES is a mobile home park located at 376 Rouse Road, Ft. Pierce, Florida 34046. Mr. I.E. Schecter, the contact person, filed the application on behalf of IES.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed under Section 367.022(5), Florida Statutes, and Rule 30.060(3)(g), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants without specific compensation for the service. The application indicates that IES provides both water and wastewater service to its tenants, the service territory is limited to the mobile home park, and the service, pursuant to the rental agreement used by IES in lieu of a lease, is included as a nonspecific portion of the monthly rent.

In addition, the application form states that pursuant to Section 837.06, Florida Statutes, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. I.E. Schecter acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that IES is exempt from Commission regulation, pursuant to the provisions of
