Dear Mr. McCoy:

Your letter of April 1, 1993, to Chairman J. Terry Deason has been forwarded to my office for response. As your letter requests that the Commission reconsider its recent Order in Docket No. 920199-WS granting Southern States Utilities, Inc., a rate increase, it will be treated as a motion for reconsideration. Motions for reconsideration are presented for decision to the Commission panel that voted on the particular case involved. You will be given a notice of the agenda conference at which this matter will be presented to the Commission for decision.

Please feel free to call if you have any further questions.

Sincerely,
