ORDER DENYING REQUEST FOR CONFIDENTIAL
CLASSIFICATION OF DOCUMENT NO. 1900-93

On February 17, 1993, BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) filed a Request for Confidential Classification of specified information provided in its Schedule E-1A of the Minimum Filing Requirements. This document has been assigned Document No. 1900-93 by the Commission.

Florida law provides, in Section 119.01, Florida Statutes, that documents submitted to governmental agencies shall be public records. This law derives from the concept that government should operate in the "sunshine." The only exceptions to this law are specific statutory exemptions and exemptions granted by governmental agencies pursuant to the specific terms of a statutory provision.

Accordingly, pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, it is the Company's burden to show that the material submitted is qualified for specified confidential classification. Rule 25-22.006 provides

that the Company may fulfill its burden by demonstrating that the documents fall into one of the statutory examples set forth in Section 364.183 or by demonstrating that the information is proprietary confidential information, the disclosure of which will cause the Company or its ratepayers harm.

To this end, the Company asserts that the material includes certain information contained in the Revenue Requirement column of Schedule E-1A for Switched Access Services which is allegedly entitled to confidential treatment. Southern Bell maintains that this information has been treated as confidential business information. Southern Bell further asserts that this information would allow its competitors to target lucrative markets and obtain important pricing information from Southern Bell which would assist the competitor in pricing its services.

A review of the information in question reveals the material to be unit or average cost information for switched access elements. No harm will result from the availability of this material because actual costs cannot be derived from the instant information and it lacks sufficient specificity to be of use to a competitor. Therefore, the material cannot be classified as proprietary confidential business information pursuant to Section 364.183(3)(a),(e), Florida Statutes. Accordingly, the Company's Request for Confidential Classification of Document No. 1900-93 is denied.

Based upon the foregoing, it is

ORDERED by Commissioner Susan F. Clark, as Prehearing Officer, that BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company's Request for Confidential Classification of specified material contained in its revised E-1A schedule is denied.

By ORDER of Commissioner Susan F. Clark, as Prehearing Officer, this 10th day of June, 1993.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
