ORDER INDICATING EXEMPT STATUS OF SON'S SHADY
BROOK MOBIL HOME & R V PARK AND CLOSING DOCKET

BY THE COMMISSION:

On May 20, 1993, Son's Shady Brook Mobil Home & R V Park (Shady Brook) filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. Shady Brook is currently under construction and will be located on Highway 301 South in Coleman, Florida. Ms. Jean Lake Martin, Owner and primary contact person, filed the application on behalf of Shady Brook.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Shady Brook will provide water service only to its tenants and the service territory will be limited to the mobile home and RV park. Wastewater service will be provided by septic tanks.

Since Shady Brook is under construction, it does not have a lease. However, according to information provided with the application, the charge for water service will be included as a nonspecific portion of the monthly rent. Shady Brook shall file a copy of the lease, which it proposes to use, with the Commission within 30 days of the date construction is complete.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Martin

acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based upon the facts as represented, we find that Shady Brook is exempt from Commission regulation, pursuant to the provisions of Section 367.022(5), Florida Statutes. However, should there be any change in circumstances or method of operation, the owner of Shady Brook or any successor in interest must inform the Commission within 30 days of such change so that its exempt status may be reevaluated.
