Re: Docket No. 920199-WS

Dear Chairman Deason:

The Commission panel assigned to the above-cited docket is currently scheduled to consider staff recommendations regarding numerous motions for reconsideration taken from the final order in that docket at the Tuesday, July 6, 1993 Agenda Conference.

Today, I am filing "Citrus County's Motion in Support of COVA Request For Investigation Of SSU's Publicity, Advertising, And/Or Lobbying Activities" as well as a "Joint Petition For Full Commission Hearing For The Purpose Of Setting System-By-System, Stand-Alone Water and Wastewater Rates For Certain Systems Operated By Southern States Utilities, Inc." on behalf of Citrus and Hernando Counties and other parties.

In view of these filings I am requesting that you defer consideration of the motions for reconsideration until at least the next scheduled Agenda Conference. Doing so will allow time for the Commission to consider the merits of the above-cited filings.

Sincerely,

Michael B. Twomey
