DOCKETS NOS. 930580-TL, 920335-TL AND
910967-TL
AUGUST 17, 1993

Issue 2: Recommendation that, if Issue No. 1 is approved, Docket No. 930580-TL should be closed at the end of the protest period. If the tariff is protested, it should go into effect on August 10, 1993, with any increase in revenue held subject to refund.

APPROVED

Issue 3: Recommendation that the effective date of the alarm portion of the repricing and restructuring of GTEFL's local private line service (Docket No. 910967-TL) should be April 1, 1994 and should reflect Phase I rates. Phase III should follow as originally ordered on December 1, 1994. GTEFL should be ordered to notify its customers of the implementation both 60 and 30 days before the effective dates for Phase I and Phase III.

MODIFIED *Phase I rates will become effective June 1, 1994, rather than April 1, 1994*

Issue 4: Recommendation that Docket No. 910967-TL should be closed at the conclusion of the tariff protest period, assuming no timely protest is filed. If a timely protest is filed, this tariff should remain in effect with any increase in revenue held subject to refund pending resolution of the protest.

APPROVED

Issue 5: Recommendation that Intermedia Communications of Florida, Inc.'s Notice of Voluntary Dismissal of its protest of GTEFL's filing to reprice and restructure its local private line service (Docket No. 910967-TL) be acknowledged.
