HAND DELIVERY

RE: Docket No. 930673-SU
Application for Extension of Service Area
(Amendment of Certificate No. 268-S) by
SOUTH SEAS UTILITY COMPANY, in Lee County,
Florida

Dear Mr. McRoy:

On behalf of South Seas Utility Company, we request the expedited disposition of the above application.

By letter dated July 21, 1993, we transmitted proof that full compliance with all notice requirements was achieved as of July 15, 1993. The time within which any objection may be properly made expired upon the close of business on Monday, August 16, 1993. No objection has been filed, within that period of time, or otherwise.

By letters dated August 3 and August 11, 1993, we fully responded to all staff requests for additional information and documentation.

Since South Seas Utility Company has met all requirements two months ahead of the schedule set forth in the CASR, we respectfully request that the necessary recommendation be prepared and an administrative order be issued as soon as possible.

Thank you very much for your attention.

Sincerely,

Wayne L. Schiefelbein
