ORDER INDICATING NONJURISDICTIONAL STATUS
OF GRACE NICOLE, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On October 13, 1993, Grace Nicole, Inc. filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. Grace Nicole, which is an interior decorating and furniture store, is located at 4189 West Gulf-to-Lake Highway, Lecanto, Florida. Ms. Josephine Perrone, President, filed the application on behalf of Grace Nicole, Inc. The owners and primary contact people are Pat and Josephine Perrone, 2734 West Sunrise Street, Lecanto, Florida 34461.

Grace Nicole, Inc. has an existing well which is obstructing the right-of-way for a new road being constructed by the Florida Department of Transportation. As a result, Grace Nicole, Inc. must construct a new well. When Grace Nicole, Inc. applied to the Department of Environmental Protection for a permit to construct the new water system, it was advised of the need for an exemption from this Commission.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to the furniture store, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Perrone acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Grace Nicole, Inc. is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Grace Nicole, Inc. is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Grace Nicole, Inc. or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Grace Nicole, Inc., 4189 West Gulf-to-Lake Highway, Lecanto, Florida 34461, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Grace Nicole, Inc. or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate Grace Nicole, Inc.'s nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.
