NOTICE OF PROPOSED AGENCY ACTION  
ORDER DENYING COUNTY WIDE CALLING

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are adversely affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On November 23, 1992, the Alachua County Board of County Commissioners filed Resolution No. 92-111 with this agency requesting implementation of county-wide calling within Alachua County. BellSouth Telecommunication Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell) serves the Gainesville, Archer, Hawthorne, Micanopy and Newberry Exchanges while Alltel of Florida Inc. (Alltel) serves Alachua, Brooker, High Springs, McIntosh, Melrose, and Waldo Exchanges. All these exchanges are within the Gainesville LATA except for High Springs and Alachua which are in the Gainesville LATA.

On February 1, 1993, we issued Order No. PSC-93-0163-PCO-TL (Order No. 0163) requiring Southern Bell and Alltel to conduct traffic studies for all the Alachua County Routes. Southern Bell and Alltel responded with the necessary studies on May 3, 1993 and June 1, 1993 respectively. Subsequently these traffic studies were granted confidential status pursuant to requests by the respective companies.

Rule 25-4.060(2), Florida Administrative Code, requires rate of at least three Messages per Access Line per Month (M/A/Ms) in

cases where the petitioning exchange contains less than half the number of access lines as the exchange to which Extended Area Service (EAS) is sought. Furthermore, the Rule requires that at least 50% of the subscribers in the petitioning exchange make two or more calls per month to the larger exchange in order to qualify for traditional EAS. None of the routes in question meet these requirements. Accordingly we find that these routes have failed to meet the requirements of Rule 25-4.060(2) and do not qualify for EAS.

Based on the forgoing, it is

ORDERED by the Florida Public Service Commission that the Resolution by the Alachua County Board of County Commissioners requesting Countywide Extended Area Service is denied. It is further

ORDERED that any protest of this Order shall be filed pursuant to the requirements set forth below. It is further

ORDERED that if no protest of this Order is timely filed, this docket shall be closed.

By ORDER of the Florida Public Service Commission this 8th day of November, 1993.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. In the absence of such a petition, this order shall become effective on the day subsequent to the above date as provided by Rule 25-22.029(6), Florida Administrative Code.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party adversely affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure.
