AMENDED ORDER GRANTING FLORIDA POWER AND LIGHT
COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION

On November 8, 1993, Order No. PSC-93-1632-CFO-EI (Order) was issued granting Florida Power and Light Company's (FPL) request for confidential classification with three exceptions. The exceptions were denied because "they were not previously identified as confidential". Order, p. 2.

It has since been determined that these exceptions were the subject of an appropriately filed notice of intent to request confidential treatment. In addition, they were identified as confidential in the formal request for confidentiality timely filed within 21 days pursuant to Rule 25-22.006(3)(a), F.A.C. Moreover, as contract bid data, they have been found to meet the criteria of §366.093(3)(d), Fla. Stat. Therefore, they will be treated as confidential, proprietary business information.

In view of the above, it is

ORDERED that the three exceptions noted in Order No. PSC-93-1632-CFO-EI be treated as confidential. It is further

ORDERED that pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, the confidentiality granted to the documents specified herein shall expire eighteen (18) months from the date of issuance of this Order in the absence of a renewed request for confidentiality pursuant to Section 366.093. It is further

ORDERED that this Order will be the only notification by the Commission concerning the expiration of the confidentiality time period. It is further

ORDERED that the remainder of Order No. PSC-93-1632-CFO-EI be affirmed as issued.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
