RE: DOCKET NO. 931044-EI - Petition for authority to implement replacement rate schedule for standby electric service by GULF POWER COMPANY.

Issue 1: Recommendation that the Commission deny Gulf Power's proposed Standby and Supplemental Service rate schedule. There are four aspects of Gulf's proposal that are unacceptable.

**DENIED** - *Tariff is allowed to go into effect with changes discussed at conference. On the Commission's own motion the matter is to be set for hearing.*

Issue 2: Recommendation that this filing should not be addressed by Proposed Agency Action as requested by the Company. This is a tariff filing and should be handled in a manner consistent with other tariff filings.
