REQUEST FOR ORAL ARGUMENT
ON GULF'S MOTION FOR RELIEF FROM
EXTRAORDINARY NOTICE REQUIREMENTS

GULF POWER COMPANY ("Gulf Power", "Gulf", or "the Company"), by and through its undersigned counsel, and pursuant to Rule 25-22.058 of the Florida Administrative Code, hereby requests that the Florida Public Service Commission ("Commission") allow the Company to be heard in oral argument at the Prehearing Conference to be held July 11, 1994 in this docket, on its Motion for Relief from Extraordinary Notice Requirements, which is filed concurrently herewith. In support of its request, Gulf states:

1. Gulf Power's Motion for Relief requests that the Commission relieve the Company from any obligation to comply with the extraordinary notice requirements set forth within Commission Order No. PSC-94-0717-PCO-EI, issued June 13, 1994, which appears to require that Gulf provide notice of the hearing currently scheduled for August 1, 1994 to all of its customers by first class mail.

2. In order to comply with a literal reading of the notice requirement contained in Order No. PSC-94-0727-PCO-EI, notices would have to be received by each customer no later than July 18, 1994. Accordingly, time is of the essence for a Commission determination as to whether Gulf is to either comply with, or be relieved of, the notice requirement contained in that order.

3. Allowing the Company to present oral argument in support of its Motion will allow the Commission to directly question the Company concerning the merits of the Motion and the effect of the notice requirement currently embodied in Order No. PSC-94-0727-PCO-EI.

WHEREFORE, Gulf Power Company respectfully requests that it be heard in oral argument at the Prehearing Conference on July 11, 1994, in support of its Motion for Relief from Extraordinary Notice Requirements filed concurrently herewith.

Respectfully submitted this 7th day of July, 1994.
