**TO:** Katherine E. Smith, Division of Records & Reporting  
**FROM:** Jeanne S. Clark, Division of Water & Wastewater *JSC*  
**RE:** Marion Utilities, Inc. - ~~Undocketed~~ Overearnings Investigation

In response to your memorandum dated January 25, 1994, the entire document should be withdrawn from confidential status and sent to the Division of Water and Wastewater. Patricia Merchant spoke with Elsie Crippen regarding this matter and it was her intent to withdraw confidentiality for the whole document, not just the first page. On the matter of returning the document, this is part of the workpapers prepared by the auditor. As the analyst assigned to this case, I have the workpapers in my possession and would appreciate if you would forward the document to me.

Thank you.
