RE: DOCKET NO. 940743-WS - Joint application for transfer of majority organizational control of JACKSONVILLE SUBURBAN UTILITIES CORPORATION in Duval County from GWC Corporation to United Water Resources, Inc..

Issue 1: Recommendation that Jacksonville Suburban Utilities Corporation's Motion to Dismiss a timely received customer objection, and Motion to Strike or, in the Alternative, to Dismiss, nine other untimely received customer objections, be denied. Although one objection to this application was timely received and nine others were untimely received one day late, the timely received objection has been withdrawn, and the untimely received objections should be deemed to have been withdrawn, as well. The utility's Motions to Dismiss, and to Strike or, in the Alternative, to Dismiss, these objections should therefore be denied, as moot.
