 RE: Request for Confidentiality **950000**

In response to a request from Staff, Florida Power Corporation filed a copy of a market price survey of Central Appalachian Compliance coal from the Fieldston Company. Staff requested to review this document to learn of current coal market conditions and of the opportunities available to Florida utilities. In order to avoid having the document filed as confidential, Florida Power filed a copy of the document under a Notice of Intent to Request Confidentiality. This allowed Staff to review the document for a period of 21 days without requiring FPC to actually request confidential status.

Having sufficiently reviewed the material, Staff requests that the documents, #01106-95 and #01107-95, be returned to Florida Power Corporation.
