SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION

COMES NOW BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company ("Southern Bell" or "Company"), and pursuant to Rule 25.22.006, Florida Administrative Code, files its Request for Confidential Classification for certain information contained in documents provided to Staff in response to the audit of the sale of Telesensor, Inc. to Landis & Gyr Powers, Inc. (L&G) and BellSouth Telecommunications, Inc.'s contract with L&G.

1. Southern Bell is filing its Request for Confidential Classification for portions of the 1994 State of the Relationship Paper and the 1995 Competitiveness Evaluation produced by Southern Bell and L&G which contain financial and market information for a non-BellSouth Company.

2. Southern Bell has appended to this Request for Confidential Classification as Attachment A, a listing showing the location in the documents of the information designated by Southern Bell as confidential as well as the required correlation with the specific justification for confidential classification.

4. Attached as Attachment C is a sealed package containing copies of the documents with the material which is confidential and proprietary highlighted. Copies of Attachment C are not being served on the other parties in this proceeding.

5. With respect to the following information requested in the Staff Audit, the 1994 State of the Relationship Paper and the 1995 Competitiveness Evaluation produced by Southern Bell and L&G, the documents contain financial and market information for a non-BellSouth company. This information is proprietary to that Company, and Southern Bell is not at liberty to publicly disclose the financial and strategic information contained in these documents. WHEREFORE, based on the foregoing, Southern Bell moves the Prehearing Officer to enter an order declaring the information described above and contained in the indicated portions of the attachments to be confidential proprietary business information,

and thus not subject to public disclosure.
