Dear Ms. Smith:

The City Commission of Haines City at its meeting of April 6, 1995, adopted Resolution No. 627, requesting the Florida Public Service Commission expand the local telephone calling scope of the Haines City exchange. A copy of the resolution is enclosed.

It is our understanding that Extended Calling Service (ECS) is an alternate calling plan that allows seven digit dialing and usage sensitive pricing to areas in Polk County that are not now toll free calling.

Your consideration of this resolution will be greatly appreciated, as we believe that this plan will benefit the citizens of Haines City and have a positive impact on economic development.

Please let us know how to proceed with this request, and should you have any questions, please contact me or City Manager Ann Toney.

Sincerely,

Cherry L. Dowdy
City Clerk
