CMS reflects that two letters, Documents Nos. 06455-95 and 07568-95, are requests for intervention. By telephone, we have verified with the two customers that they do not intend to intervene on their own but instead wanted information on the case and the hearing. Furthermore, their letters were not served on the utility nor do they conform with our Rules. Today, we received a Petition to Intervene on their behalf from Michael B. Twomey. Accordingly, please change these letters to correspondence status. Thank you.
