Dear Representative Andrews:

Thank you for your letter of September 11, 1995, in support of Southern Bell's proposal to implement extended calling service (ECS) on a number of routes in South Dade County.

The Commission was scheduled to take action on this matter at its September 12, 1995, agenda conference; however, it was deferred to allow the Commissioners more time to review the staff's recommendation. The Commission is now scheduled to take the matter up at its September 26, 1995, agenda conference.

I am unable to comment on the merits of the company's proposal while this matter is pending. I will, however, place your letter on the record of the proceeding and give the parties to the proceeding an opportunity to respond.

Thank you again for your letter.

Sincerely,

  
Susan F. Clark  
Chairman
