

MEMORANDUM

September 21, 1995

TO: Division of Records and Reporting (L. WILLIAMS)

FROM: Division of Auditing and Financial Analysis (Vandiver, Freeman)

SUBJECT: Docket No. 950007-EI; Florida Power & Light Company;
Environmental Cost Recovery Clause Audit; Audit Control
No. 94-284-4-1; Document 06526-95.

On July 11, 1995, staff filed document 06526-95 consisting of staff working papers (volume 6 of 6) prepared during the audit of FPL's environmental cost recovery filings for the 24 month period ended March 31, 1995. The utility requested at the June 30, 1995 audit exit conference that certain staff working papers be temporarily exempted from public access pursuant to Rule 22.006 (3)(a), Florida Administrative Code (FAC).

More than twenty-one days have passed since the exit conference, and the utility has not filed a request for confidential classification. Therefore pursuant to Rule 25-22.006(3)(a) FAC, we recommend that the failure to file a request constitutes a waiver of confidentiality and that the audit working papers, Document No. 06526-95, be declassified and returned to the Division of Auditing and Financial Analysis.
