NOTICE OF IMPLEMENTATION OF RATES

Florida Cities Water Company (FCWC), by and through its undersigned counsel, and pursuant to Section 367.081(8), Florida Statutes, hereby provides notice to the Commission of its implementation of certain rates, as explained hereinbelow.

1. The Commission's proposed action in Order No. PSC-95-1360-FOF-SU has been protested by a party other than the utility.

2. FCWC therefore is entitled to place its requested rates into effect, under bond, escrow, or corporate undertaking subject to refund, upon notice to the Commission and upon filing the appropriate tariffs.

3. At this time, FCWC has determined to place the proposed rates set forth in Order No. PSC-95-1360-FOF-SU, into effect. These rates are lower than the requested rates.

4. Attached hereto is the corporate undertaking of FCWC, in the Commission Staff-prescribed amount of \$261,595, as security to refund any portion of the resultant revenue increase which is ultimately found not to be justified by the Commission.

5. Proposed tariffs, setting forth the rates proposed by Order No. PSC-95-1360-FOF-SU, were submitted to the Commission on November 16, 1995, have been deemed acceptable by Commission Staff, and are incorporated by this reference.

6. These rates are effective for service rendered on or

after December 13, 1995.

# FLORIDA CITIES WATER COMPANY

NORTH FT. MYERS DIVISION

December 5, 1995

Dear Customer:

On May 19, 1995, Florida Cities Water Company, North Ft. Myers Division, filed an Application with the Florida Public Service Commission (PSC) to increase wastewater rates and charges in North Ft. Myers. A Customer Meeting was held on July 26, 1995 at the North Ft. Myers High School auditorium to take customer testimony regarding quality of service and the proposed rates. After its analysis of our application, the PSC, under Docket No. 950387-SU, and Order No. PSC-95-1360-FOF-SU, dated November 2, 1995, issued its notice proposing final rates in this case. This Commission proposal was protested on November 27, 1995. Following this protest, Florida Cities Water Company is authorized by statute to implement the rates requested in its original Application, subject to refund. Florida Cities Water Company has instead determined that it will implement the rates as proposed by the Commission's Order, subject to refund. These rates are lower than the requested rates. These new rates and charges, listed below, will be effective for service rendered on or after December 13, 1995 and will appear beginning on your December, 1995 bill.

If you have any questions concerning these rates, please call our office at (941)936-0247. A customer service representative will answer your questions or provide you with an answer in a short period of time.

Sincerely,  
FLORIDA CITIES WATER COMPANY
