Re: Supplemental Notice in Docket No. 950495-WS, Rate Case of Southern States Utilities, Inc. (SSU)

Dear Mr. Hoffman:

As discussed, the textual portion of SSU's proposed supplemental notice (except for the typographical error in the second paragraph, second line, fourth word -- "given" should be "give"), appears to comport with the Commission vote at the November 21st Agenda Conference. Therefore, the first three pages of SSU's proposed supplemental notice are approved.

Although we did not discuss the Customer Comment Form, a review of that form shows that it is in error. The address should be:

Director, Division of Records and Reporting
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

Also, staff has now received both the proposed water and wastewater schedules, and is in the process of reviewing those schedules. As soon as we complete our review, we will
