OF CHAPTER 367, F.S. - EXEMPTION REQUEST FOR WATER  
SERVICE BY FOY CAMP - FARM.

-----

On October 10, 1995, the Manatee County Board of County Commissioners adopted Resolution No. R-95-109, pursuant to Section 367.171, Florida Statutes, declaring the privately owned water and wastewater utilities in Manatee County subject to the provisions of Chapter 367, Florida Statutes, effective October 10, 1995. The Florida Public Service Commission received Manatee County's resolution on October 17, 1995. The effect of the resolution is to invoke Public Service Commission jurisdiction over privately owned water and wastewater systems in Manatee County. Pursuant to Section 367.031, Florida Statutes, all utilities subject to the Commission's jurisdiction must obtain either a certificate to provide water and wastewater service or an order recognizing the exempt status of the system.

On December 4, 1995, Foy Camp - Farm (Foy Camp) applied for an exemption for a water facility from the Florida Public Service Commission under Section 367.021 (12), Florida Statutes, and Rule 25-30.060(3)(j), Florida Administrative Code a non-jurisdictional entity. The location of the water system is at 4505 Fort Hammer Road; Parrish, FL 34219. The mailing address is the same. Mr. Howell Foy, owner, is the contact person. Water service is provided to a farm. Wastewater service is provided by a septic tank.

In its application, the Foy Camp states it provides water service only, there is no charge for providing utility service, all costs of providing service are treated or recovered as operational expenses and the service area was specified above. In addition, the applicant acknowledged Section 837.06, Florida Statutes, regarding false statements.

Based upon the facts presented herein, staff believes Foy Camp is exempt for water service as defined by Section 367.021(12), Florida Statutes, and Rule 25-30.060(3)(j), Florida Administrative Code. Section 2.08(C)(14) of the Administrative Procedures Manual (APM) gives staff the administrative authority to approve requests

for determination of exempt status that are clear-cut and without controversy. Staff recommends that an administrative order be issued within 30 days indicating the exempt status of Foy Camp and closing the docket. The order should provide that in the event of any change of circumstances or method of operation, Foy Camp, or its successor(s) in interest should notify the Commission within thirty days of such change so that its exempt status may be reevaluated.
