RE: Docket No. 950003-GU - Purchased Gas Adjustment Cost
Recovery Clause

Dear Mr. Smith:

On October 24, we received City Gas Company of Florida's PGA filing for the month of September 1995. Included with this filing were two copies of the confidential document. One copy was highlighted; the other was not. Also included was a version of the document that had been edited through use of a black magic marker. Since we need only one copy of a confidential document in our files, I am returning the unhighlighted copy of the confidential document. And, since it is possible to read through the black magic marker ink the text that is marked out, I am returning the original edited document as well. We will instead use one of the photocopied edited documents in the docket file.

If you have any questions regarding this matter please call me.

Sincerely,

 RE: Offers of employment by regulated utilities

At approximately 4:30 PM, Tuesday, February 7, 1995, Rand W. Smith, Vice President of Finance for City Gas Company of Florida contacted me by telephone to ask if I might be interested in a position with City Gas Company. The position initially discussed is related to the one the company has been advertising for a Regulatory Liaison person. We also discussed other possibilities.

Yesterday, I mailed a resume to Mr. Smith at City Gas and intend to pursue discussions with the company to determine whether we can mutually agree on conditions of my employment with City Gas.

Today, Jack Uhl, Executive Vice President of Peoples Gas System, Inc. called me. He asked if there was truth to rumors he had heard that I was considering leaving Commission employment. When I confirmed that I am considering an offer made to me by City Gas, Mr. Uhl said Peoples Gas would also like the opportunity to offer me a position, but did not specify the nature of any position at this time.

These contacts constitute an application for employment as defined in 5.02 B.1.a. and 5.02 B.1.b, of the Commission's Administrative Procedures Manual (APM). This memorandum is sent in compliance with 5.02 B.1.b. of the APM. I advised both Mr. Smith of City Gas and Mr. Uhl of Peoples Gas that I would send a memorandum to notify you of these employment related contacts.

Joe McCormick should be prohibited from working on and/or supervising matters, docketed or undocketed, that would be a conflict of interest.

Please get with Joe and identify any dockets that he is participating in and to which these prospective employers or affiliated companies are a party, and request that Records and Reporting notify all interested parties in those dockets.

To Parties of Record in Docket No. 950003-GU:

Section 5.02 B.1.c. of the Commission's Administrative Procedures Manual requires that notification be given to all parties in docketed matters before the Commission if a staff member involved in one or more dockets indicates that he or she intends to seek employment with any one of the parties or interested persons--including the prospective employer or affiliated company--in those dockets.

In accordance with that procedure, you are hereby notified that Joseph W. McCormick, Chief of Gas Regulation of the Commission's Division of Electric and Gas, has advised the Commission that he intends to pursue discussions with City Gas Company of Florida regarding a position as Regulatory Liaison person. Mr. McCormick has also been contacted by Peoples Gas System, Inc. regarding the possibility of employment there. To avoid any possible conflict of interest, Mr. McCormick has been removed from participation in all affected dockets, including Docket No. 950003-GU, Purchased Gas Adjustment.

RE: Docket No. 950003-GU - Purchased Gas Adjustment

I have attached a copy of a letter from Debbie Stitt at St. Joe Natural Gas Company. She indicated that the confidential document we returned to her (Document No. 12305-94) was returned in error.

Since the document is actually a revision of Document No. 11863-94, rather than a duplicate, and an order has been issued granting confidentiality of Document No. 11863-94, please advise if it is necessary to issue a separate order on Document No. 12305-94.

We will maintain Document No. 12305-94 pending a decision on this.
