Re: Docket No. 950387-SU  
Order No. PSC-96-0038-FOF-SU, Issued 1/10/96  
Application for Increased Wastewater Rates for North Ft. Myers Division  
in Lee County by Florida Cities Water Company

Dear Ms. Bayo:

This is the initial report required to be filed by the 20th day of each month pursuant to the order referenced above. Although the interim rates were effective for service rendered on or after December 13, 1995, there were no meter readings between December 13, 1995 and December 31, 1995. Therefore, no bills with interim rates were issued in December 1995, resulting in no difference for potential refund for revenue billed and recorded in December 1995.

Please contact me or Joe Schifano if you have any questions.

Sincerely,

*Larry Coel*
