Re: Sunny Shores Water Co., Inc. / Manatee County 960028
Application for Grandfather Certificate

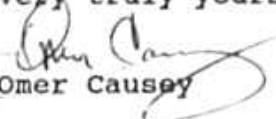

Dear Ms. Bayò:

Enclosed with this letter is a supplemental filing for Sunny Shores Water Co., Inc., the original filing for which was made on January 8, 1996. At the time of the original filing we did not have available a system schematic for the water system. My client has subsequently prepared on, based on a similar schematic used by Manatee County for its wastewater system on the property.

I have enclosed two copies of the schematic for the water system: One is in a size suitable for inclusion in the tariff book; the other is a full sized engineering drawing. The letter sized version should be incorporated in the application as Exhibit 10.

If you have any questions, please let me know.

Very truly yours,

Omer Causey
