

Docket No. 950984-TP
GTE Florida Incorporated
Proposed List of Issues

**ORIGINAL
FILE COPY**

GTE Florida Incorporated (GTEFL) concurs in the list of issues presented by Metropolitan Fiber Systems of Florida, Inc. (MFS-FL) in this proceeding. These issues are:

1. What elements should be made available by GTEFL to MFS-FL on an unbundled basis (e.g., link elements, port elements, loop concentration, loop transport)?
2. What are the appropriate technical arrangements for the provision of such unbundled elements?
3. What are the appropriate financial arrangements for each such unbundled element?
4. What arrangements, if any, are necessary to address other operational issues?

Agreed-Upon and Unresolved Issues

GTEFL and MFS-FL have been unable to reach definitive agreement on any issue in this case, such that all issues remain to be resolved.
