ORDER INDICATING NONJURISDICTIONAL STATUS
OF WASTE MANAGEMENT OF CENTRAL FLORIDA AND CLOSING DOCKET

BY THE COMMISSION:

On December 26, 1995, Waste Management of Central Florida (WMCF) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. WMCF is located at 186 Northwest 86th Avenue, Ocala, Florida. Mr. Randall J. Waterlander, Division President and primary contact person, filed the application on behalf of WMCF.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to WMCF's application, water service is provided only to its business located at 186 Northwest 86th Avenue, Ocala, Florida; there is no charge for providing the service; and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly

making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Waterlander acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

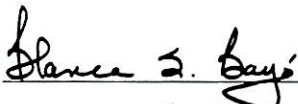

Based on the facts as represented, we find that WMCF is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, WMCF is not subject to this Commission's jurisdiction. However, the owner of WMCF or any successors in interest are put on notice that if there is any change in circumstance or method of operation, it should inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Waste Management of Central Florida, 186 Northwest 86th Avenue, Ocala, Florida 34482, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 22nd day of February, 1996.
