To whom ever is concerned with
 Spruce Creek South Utilities, Inc
 17585 SE 102nd Ave, Summerfield, FL
 34491 application to extend their
 water and sewer service to our area
 in Marion County. Our notice not mailed.
 When we purchased from Mr. Exp's
 at that time we were told septic
 system was it and paid our fees
 for that service. We are satisfied
 with our present system and cannot
 afford the costs of sewer lines, hook-
 up fees, cost of repairs to road and
 property. All the extra costs to install
 and operate are more than we care
 for.

cc's

Sincerely

IRVEN C. and MARY R. ERNST
