McCaw's Position: The Commission's decision in this proceeding is binding to the extent that it will be filed as a tariff by the LEC, which will be available to any carrier. However, the existence of such tariff does not prohibit any carrier from entering into negotiations with the LEC to seek new or different rates, terms, and conditions. If such negotiations fail, a petition may be filed with the Commission pursuant to section 364.161(1) and 364.162.
