March 19, 1996

DOCKET NO. 921193-TL - Resolution by the Palm Beach County Board of County Commissioners for extended area service between all exchanges in Palm Beach County.

DOCKET NO. 930172-TL - Petition by residents of Boca Grande requesting extended area service (EAS) between Boca Grande and North Ft. Myers, North Port, Venice, Englewood, Pine Island, North Cape Coral and Cape Coral.

DOCKET NO. 930235-TL - Resolution by the Taylor County Board of Commissioners for countywide extended area service (EAS) within Taylor County.

Issue 1: Recommendation that, based on its previous actions in Dockets Nos. 910529-TL and 920642-TL, the Commission should require extended calling service (ECS) to be implemented on the routes listed in Table A of staff's memorandum dated March 7, 1996. Residential customers should pay \$.25 per call regardless of duration, and business calls on these routes should be rated at \$.10 for the first minute and \$.06 for each additional minute. ECS should be implemented on these routes as soon as possible, but not to exceed six months from the issuance date of the order from this recommendation. Pay telephone providers will charge end users \$.25 per message and pay the standard measured interconnection usage charge.

Interexchange carriers (IXCs) may continue to carry the same types of traffic on these routes that they are now authorized to carry.

MODIFIED

Approved with modification of staff's table at conference, and with direction to staff that they prepare explanation for FCC on PSC's position in this matter.

Issue 2: Recommendation that the Commission, based on its previous actions in Dockets Nos. 870248-TL, 870790-TL, 900039-TL, 910022-TL, 910029-TL, 910528-TL, 910529-TL, 911185-TL, 921193-TL, 930172-TL, and 930235-TL, should require extended calling service (ECS) to be implemented on the routes listed in Table B in staff's memorandum. Residential customers should pay \$.25 per call regardless of duration, and business calls on these routes should be rated at \$.10 for the first minute and \$.06 for each additional minute. BellSouth should begin seeking approval from the Federal Communications Commission (FCC) to carry this interLATA traffic. Once the FCC has made its determination, BellSouth should notify the Commission, so appropriate action can be taken.

MODIFIED

Approved with modification of staff's table at conference, and with direction to staff that they prepare explanation for FCC on PSC's position in this matter.

March 19, 1996

Issue 3: Recommendation that the Commission set Docket No. 930235-TL for hearing so community of interest criteria other than toll traffic data may be presented and considered.

APPROVED

Issue 4: Recommendation that, if no person whose substantial interests are affected files a protest for Issues 1 and 2 within 21 days of the issuance date of the order from this recommendation, the order shall become final. A protest of the decision in one docket does not prevent the decision in the other dockets from becoming final. If no timely protest is received, Docket No. 920642-TL should be closed. The other dockets should remain open.
