Ms. Blanca S. Bayo
Director, Records and Reporting
Florida Public Service Commission
2540 Shumard Oak Boulevard
Betty Easley Conference Center, Rm. 110
Tallahassee, Florida 32399-0850

Dear Ms. Bayo:

RE: Docket No. 960386 TL. Waiver of Rule 25-4.076(6), F.A.C.

Enclosed please find the original and fifteen copies of our request for waiver of Rule 25-4.076(6), F.A.C. which we ask that you file in the above captioned matter.

We request that the pay telephones located at the address below be exempted from the provisions of Rule 25-4.076(6), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The location and numbers of the public telephones are as follows:

401 West Central Boulevard Orlando, Florida (407) 420-9311 (407) 420-9303

Ms. Blanca S. Bayo March 27, 1996 Page 2

The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at this location for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate.

The location provider for the location identified above has either joined in or agreed to this request for waiver which is attached.

The Commission has previously granted a waiver of this Rule in Order No. 23762, issued November 15, 1990, approving Southern Bell's petition for waiver of the rule for pay telephones located at three laundromats owned by Mr. Patrick Collins in Miami, Florida. The owner had requested blocking of incoming calls to restrict the usefulness of the public phone for drug dealers and prostitutes.

Please advise by Order if our request for the waiver has been accepted.

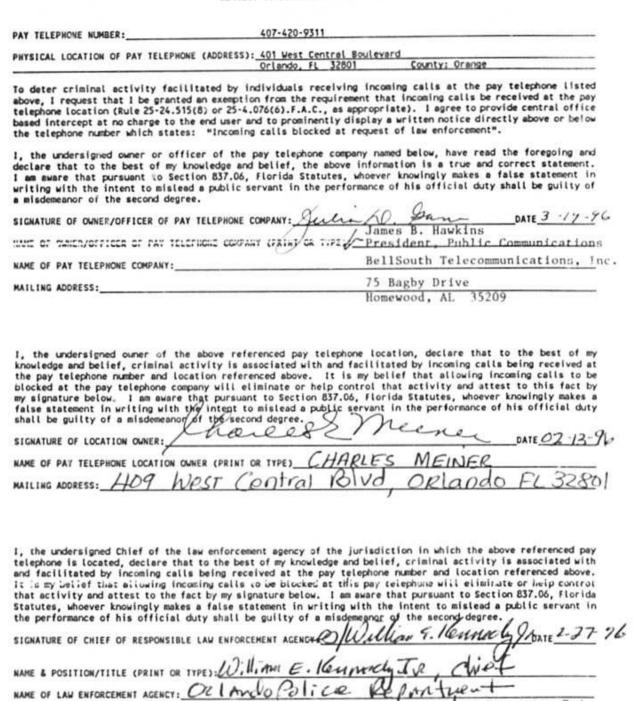

Sincerely,

Panya Lynn HOI Director Regulatory Relations
