RE: Docket No. 960009-WS
Request for exemption from Florida Public Service
Commission regulation for provision of water and
wastewater service in Pinellas County by Brookgreen
Apartments.

Dear Ms. Brady:

The following information is provided in response to your data
request of March 12, 1996:

1. Hot water usage methodology data
Enclosed is the test meter data for Hidden Palms which
supports CBSI's use of a conversion ratio of 3.5. Two meters were
installed at Hidden Palms: one on the cold water line measuring
100% of the water used by the unit and a separate meter on the line
to the hot water heater with readings taken simultaneously from
both meters. Ratios were then checked by comparing the total water
meter reading with the hot water meter reading.

If you have any questions about the data, please give me a
call and I will set up a conference call with Joe Stranen, the CBSI
employee who conducted this study.

2. Fictitious name
The entity who holds legal title to the apartment
complex, Brookgreen Apartments, is Clearwater Apartments I Limited
Partnership (Clearwater). Owners Property Management Corporation,
Inc. was the former general partner of this limited partnership.
Owners Property Management Corporation has been replaced by
Pinnacle Lantana Limited Partnership as the managing general
partner of Clearwater Apartments I Limited Partnership. The
records at the Secretary of State's office have now been corrected
to reflect this fact. The entity who holds legal title to the
property has always been, and continues to be, Clearwater
Apartments I Limited Partnership. J. Stephen Vasen is president of

Pinnacle Lantana Limited Partnership and as the managing general partner, has the authority to sign this application on behalf of Clearwater.

3. Meter deposits

Brookgreen is not withdrawing its request to collect deposits from its tenants at this time. The total amount of deposit paid by Brookgreen is \$19,650 for 188 units or a charge of \$104.52 per unit. On behalf of Brookgreen, CBSI intends to charge \$20.00 per unit as has been approved by the Commission in the past. We understand that this practice has become controversial and would request that it be added as an issue to the staff recommendation dealing with the hot water only billing methodology.

Please contact me if you have any questions about this material or if you need additional information to process this application.

Very truly yours,

Suzanne Brownless
Attorney for CBSI and Brookgreen
Apartments
