Dear Ms. Eckstein:

Re: Docket No. 960341-WS, Request for exemption from Florida Public Service Commission regulation for provision of water and wastewater service in Duval County by Riviera Parkway Apartments.

On March 15, 1996, the Commission received the above referenced request which was filed on your behalf by Mr. John Ranney of Envirotech. The Florida Department of State, Division of Corporations, indicates that KAE Apartments is properly registered as a fictitious name for you to do business at the address given in the application for Riviera Parkway Apartments. However, the only listing the Division of Corporations has for a "Riviera Parkway Apartments" is a partnership dissolved in May of 1990 at another address in Jacksonville. The Commission cannot grant an exemption under the name of Riviera Parkway Apartments, unless that name is also recorded as a fictitious name under which you do business at the apartment complex address.

You may obtain forms to register a fictitious name by calling the Department of State at 904/488-9000. In order to process your application expeditiously, please send four copies of the completed registration form by May 31, 1996 to the:

**Director, Division of Records and Reporting
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850**

Staff will verify that the form has been filed with the Department of State prior to making a determination in this docket. On the transmittal for the registration form, or any correspondence relating to this application, please clearly indicate the docket number, above.
