fwd: Declassification of
Document No. 02318-95, in
Docket No. 950495-WS

===NOTE=====4/18/96==2:24pm==
CC: \\Southern States

.....
By Order No. PSC-96-0211-CFO-WS, issued on 2/14/96, Document No. 11719-95 (Audit Disclosure No. 16 -- consisting of two pages) was declared to be non-confidential. This order was not appealed. However, before the appeal time had run, staff filed its testimony on 2/26/96, and attached to the testimony of Jeffrey Small as an exhibit were these same two pages. Because the appeal time had not yet run -- staff was forced to classify these two pages as "specified confidential". The two pages were a part of Document No. 02318. Since the appeal time has run, Document No. 02318 may now also be declassified and no other part of staff testimony was classified confidential. Therefore, all of Document No. 02318 may be declassified and removed from the confidential file. If you have any questions, or if I can be of any further assistance please contact me.
