Dear Ms. Bayo,

On April 22, 1996 the Wewahitchka City Commission unanimously voted to support the petition submitted by St. Joe Natural Gas Company to install facilities necessary to deliver natural gas to Gulf County Correctional Institute.

It is the opinion of the board, that this would benefit the citizens living in the northwest area of Gulf County and Wewahitchka, by expediting the availability of natural gas service along the delivery route.

If we can assist with additional information, please contact me at (904) 639-2605.
