Re: Docket No. 951564-TI
Request to Defer Action on Application of ActiveTel L.D., Inc. to
Provide Interexchange Communications Services

Dear Commission:

ActiveTel L.D., Inc. ("ActiveTel" or "Company"), by its undersigned attorneys, respectfully requests that the Commission defer action on the above-referenced application, scheduled for consideration at the Commission's April 30 Agenda, Item No. 27**PAA, until after the Company has completed its ongoing reorganization efforts. Notwithstanding the fact that the Commission's staff has recommended grant of this application, ActiveTel requests deferment of the Commission's consideration of its application until its reorganization is effectuated, thereby further ensuring that Florida's consumers will have the opportunity to benefit from ActiveTel's competitive service offering.

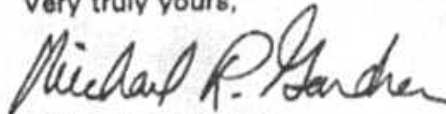

ActiveTel anticipates that these efforts will be completed in the next several months, at which time the Company will provide the Commission with any relevant information supplementing its current application and will request consideration of its application before the full Commission.

Please date-stamp the extra copy of this letter and return it in the enclosed.
