Re: Golden Ocala Utilities, Inc.
Application for Original Certificate

960546-WS

Dear Ms. Bayo:

Please accept this notification as a formal objection to the issuance of an Original Certificate for Golden Ocala Utilities, Inc. to operate a proposed water and wastewater utility in Marion County.

Utilities, Inc. of Florida (UIF) respectfully requests the Public Service Commission deny the petition by the above indicated utility company. The primary reason for UIF's request is that the proposed service area is adjacent to our existing service area. UIF has existing water and wastewater capacity available under our certificates 410 W and 305 S.

In addition, this proposed utility would create a duplication of facilities. Therefore, we feel compelled to object to the proposed application for an Original Certificate.

We thank you in advance for your consideration in this matter.

Sincerely,

Donald Rasmussen
Vice President
