Dear Mr. Bowles:

Crystal River Utilities, Inc. (Crystal River) application for transfer of the assets and certificates of Sumter Water Company, Inc. requires additional information fulfilling requirements of Chapter 25-30.037, Florida Administrative Code (F.A.C.).

1) The contract for sale must provide for the disposition, where applicable, of the following:

- a) customer deposits and interest thereon;
- b) any guaranteed contracts;
- c) developer agreements;
- d) customer advances;
- e) debt of the utility;
- f) leases.

Please provide some explanation of each, where applicable, pursuant to Chapter 25-30.037(h), F.A.C.

2) Please provide the original water and wastewater certificates, pursuant to Chapter 25-30.037(t), F.A.C.

3) The tariffs included with the application require several corrections. The water and wastewater tariffs should reflect the rates and charges presently in effect. The tariffs have rates and charges that differ from the tariffs that Sumter Water Company has on file with the Commission at this time.
