RE: DOCKET NO. 960612-TL - Resolution by the City of Punta Gorda for extended area service between certain telephone exchanges in Charlotte County.

★ DOCKET NO. 960613-TL - Resolution by the City of Orange City for extended area service between the Orange City and Orlando exchanges.

DOCKET NO. 960615-TL - Resolution by Clay County Board of Commissioners for extended area service (EAS) between Kingsley Lake and the Middleburg and Orange Park exchanges; and EAS between Keystone Heights and the Middleburg and Orange Park exchanges.

DOCKET NO. 960632-TL - Request by Lake County Board of Commissioners for extended area service between the Lady Lake area and adjacent areas of Marion County.

Issue 1: Recommendation that the Commission deny the requests for extended area service in Dockets Nos. 960612-TL, 960613-TL, 960615-TL, and 960632-TL. Any requests for EAS or ECS filed after July 1, 1995 that are implemented become part of non-basic service. Since EAS or ECS requested after July 1, 1995, would become a non-basic service, there is no express statutory authority for the Commission to require the price-regulated LECs to implement EAS or ECS. Thus, whether to implement an EAS or ECS request is a decision for the price-regulated LEC rather than for the Commission.

Issue 2: Recommendation that, if no person whose substantial interests are affected files a protest within 21 days of the issuance date of the order, the order should become final and these docket be closed. A protest of the decision in one docket does not prevent the decision as to the other dockets from becoming final.
