ORDER ACKNOWLEDGING SALE, CANCELLING WATER
CERTIFICATE AND CLOSING DOCKET

BY THE COMMISSION:

On March 29, 1996, Glenn's Cove Central Water System (Glenn's Cove) filed an application with this Commission for acknowledgment of the sale of its facilities in Lake County to the City of Tavares. The sale closing occurred June 4, 1996.

The provisions of Section 367.071, Florida Statutes, require an application for approval of sale or transfer of water and/or wastewater utilities to governmental agencies. However, the sale or transfer of the facilities to a governmental authority is approved as a matter of right, Section 367.071(4)(a), Florida Statutes.

Rule 25-30.037(4)(g), Florida Administrative Code, requires a utility to submit a statement regarding disposition of customer deposits when a utility is transferred. According to the application made by Glenn's Cove, no customer deposits were received. Therefore, no refunds or transfers are necessary. In addition, the utility is current with regulatory assessment fees and annual reports and will reconcile all regulatory assessment fees for 1996. There are no dockets pending involving this system.

On the basis of the foregoing, we find it appropriate to acknowledge the transfer of the Glenn's Cove facilities to the City of Tavares and to cancel Certificate No. 324-W. No further action is necessary in this docket, and it shall be closed.

It is, therefore,

ORDERED by the Florida Public Service Commission that the transfer of the Glenn's Cove Central Water System to the City of Tavares is hereby acknowledged. It is further

ORDERED that Certificate No. 324-W held by Glenn's Cove Central Water System is cancelled. It is further
