Metropolitan Fiber Systems of Florida, Inc.
BellSouth Telecommunications, Inc.
Agreement Concerning Sub-Loop Unbundling

UNBUNDLED SUB-LOOP ELEMENT BONAFIDE REQUEST PROCESS

Whereas, BellSouth Telecommunications, Inc. and Metropolitan Fiber Systems of Florida, Inc. have been unable to reach a comprehensive agreement, including an Unbundled Element Bonafide Request Process; and whereas, by Order No. PSC-96-0444-FOF-TP issued on March 29, 1996, the Florida Public Service Commission required BellSouth Telecommunications, Inc. and Metropolitan Fiber Systems of Florida, Inc. to develop a comprehensive proposal for sub-loop unbundling for the Commission's review, Metropolitan Fiber Systems of Florida, Inc. and BellSouth Telecommunications, Inc. hereby submit the following interim process for unbundled sub-loop element requests:

1. Each Party will promptly consider and analyze access to an Unbundled Sub-Loop Element with the submission of an Unbundled Sub-Loop Element Bona Fide Request hereunder. This Unbundled Sub-Loop Element Bona Fide Request Process does not apply to those services requested pursuant to Report & Order and Notice of Proposed Rulemaking 91-141 (rel. Oct. 19, 1992) ¶ 259 and n.603.
2. An Unbundled Sub-Loop Element Bona Fide Request shall be submitted in writing and shall include a technical description of each requested Unbundled Sub-Loop Element.
3. The Requesting Party may cancel an Unbundled Sub-Loop Element Bona Fide Request at any time, but will pay the other Party's reasonable and demonstrable costs of processing and/or implementing the Unbundled Sub-Loop Element Bona Fide Request up to the date of cancellation.
4. Within ten (10) business days of its receipt, the Receiving Party shall acknowledge receipt of the Unbundled Sub-Loop Element Bona Fide Request.

FPSC-REGS/REPORTING 2024

5. Except under extraordinary circumstances, within thirty (30) days of its receipt of the Unbundled Sub-Loop Element Bona Fide Request, the Receiving Party shall provide to the Requesting Party a preliminary analysis of the Unbundled Sub-Loop Element Bona Fide Request. The preliminary analysis shall confirm that the Receiving Party will offer access to the Unbundled Sub-Loop Element or will provide a detailed explanation that access to the Unbundled Sub-Loop Element is not technically feasible and/or that the request does not qualify as an Unbundled Sub-Loop Element that is required to be provided under the state or federal rules.
6. If the Receiving Party determines that the Unbundled Sub-Loop Element Bona Fide Request is technically feasible, it shall promptly proceed with developing the Unbundled Sub-Loop Element Bona Fide Request as soon as it receives written authorization, from the Requesting Party. When it receives such authorization, the Receiving Party shall promptly develop the requested services, determine their availability, calculate the applicable prices and establish installation intervals.
7. As soon as feasible, but not more than ninety (90) days after its receipt of authorization to proceed with developing the Unbundled Sub-Loop Element Bona Fide Request, the Receiving Party shall provide to the Requesting Party an Unbundled Sub-Loop Element Bona Fide Request quote which will include, at a minimum, a description of each Unbundled Sub-Loop Element, the availability, the applicable rates and the installation intervals.
8. Within thirty (30) days of its receipt of the Unbundled Sub-Loop Element Bona Fide Request quote, the Requesting Party must either confirm its order for the Unbundled Sub-Loop Element Bona Fide Request pursuant to the Unbundled Sub-Loop Element Bona Fide Request quote or seek relief from the appropriate regulatory body.

9. If a Party to an Unbundled Sub-Loop Element Bona Fide Request believes that the other Party is not requesting, negotiating or processing the Unbundled Sub-Loop Element Bona Fide Request in good faith, or disputes a determination, or price or cost quote, it may seek relief from the appropriate regulatory body.
