BELLSOUTH TELECOMMUNICATIONS, INC.'S
MOTION TO WAIVE REQUIREMENT OF ORDER NO. PSC-96-0444-FOF-TP

COMES NOW, BellSouth Telecommunications, Inc. ("BellSouth"), and pursuant to Rule 25-22.037, Florida Administrative Code, files a Motion to Waive Requirement of Order No. PSC-96-0444-FOF-TP.

1. By Order No. PSC-96-0444-FOF-TP ("Order"), issued on March 29, 1996, the Florida Public Service Commission ("Commission") required BellSouth to instigate and complete certain tasks within 60 days of the issuance of the Order. BellSouth has worked diligently to complete the obligations in good faith since the issuance of the Order.

2. The Order requires BellSouth to file cost studies for certain loops and ports requested by Metropolitan Fiber Systems of Florida, Inc. BellSouth filed those studies within the time frame required by the Order, with the exception of the study for the four-wire analog port. MFS has advised BellSouth that it has no immediate need for such a port (Attachment A). BellSouth, therefore, requests that the Order requirement that BellSouth submit a cost study for the four wire analog port be waived since it is no longer being requested by MFS.

WHEREFORE, BellSouth respectfully requests that the Commission waive the Order requirement that BellSouth file a cost study for the four wire analog port.

Dear Jerry:

MFS has further evaluated its need for unbundled 4 - wire analog ports. We have determined that we will be able to satisfy our current customer requirements via other means and therefore have no immediate need for these ports. Should a future application for 4 - wire analog ports arise, however, MFS reserves the right to request them as unbundled elements through the use of a Best Fide Request Process currently under discussion with BellSouth.

Sincerely,
