Dear Ms. Queitsch:

Re: Docket No. ~~951236-WB~~ Resolution of the Board of County Commissioners of Manatee County Declaring Manatee County Subject to the Provisions of Chapter 367, Florida Statutes - Request for exemption for a non-jurisdictional finding for provision of water service by Circle K Stores Inc., Stores Nos. 7071 and 7283.

This letter follows-up our phone conversation this date regarding the remaining items necessary to process the above applications. Thank you for agreeing to give this letter to Mr. McMahan's replacement for handling.

- Please verify that each store still has a water well and, if so, circle "Yes" for water service under Item 3. Also, please verify how wastewater service is provided at each store and indicate the method in the space provided under Item 3.
- The applications must be signed by an owner. In this case, that would be an officer of the corporation in Arizona. Since the forms have to be resigned, I am sending revised applications. For your reference, I am also including copies of the original applications. Once you have completed the information needed for Item 3 on the revised application forms, please ensure that the applications are signed by a corporate officer.

The original and four copies of the revised applications should be sent by July 19, 1996 directly to the:
