Re: Docket No. 960097-WS, Application for amendment of
Certificates 146-W and 103-S to include additional territory
in Osceola County by Poinciana Utilities Inc.

Dear Mr. Schiefelbein:

The second set of revised tariff sheets received on August 20,
1996, are intended to become effective August 30, 1996. If you
wish to have them picked up instead of mailed, please call Ms.
Jovan Snipes at 413-6912.

The purpose of this letter is to advise you that the revised
tariff sheets were still incorrect. Instead of a revised water and
wastewater tariff sheet 3.0, staff received two revised wastewater
tariff sheets 3.0. Also, the territory description on revised
water tariff sheet 3.10 was incorrect. As you recall, one of the
deficiencies in the filing was an incorrect territory description
which was subsequently corrected and renoticed. Apparently a
version of the tariff with the incorrect description is still on
your computer.

In the interest of time I have made the necessary changes.

Sincerely,

Patricia Brady
