NOTICE OF PROPOSED AGENCY ACTION  
ORDER APPROVING TRANSFER OF CONTROL

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

On July 10, 1996, Cyberlink, Inc. (Cyberlink), International Telecommunications Corporation (ITC), and International Telecommunications Group, Ltd. (ITG) requested that we approve a transaction where RSL Communications Limited (RSL) will acquire control of ITG. ITG is the parent company of Cyberlink and ITC. Cyberlink currently holds Certificate of Public Convenience and Necessity No. 3592 to provide interexchange telecommunications service. ITC operates as an interexchange carrier pursuant to Certificate No. 4068.

The companies' request that we approve a transaction where RSL will purchase a controlling interest in ITG. Therefore, RSL will become a parent of Cyberlink and ITC. The companies believe this transaction will provide Cyberlink and ITC with greater financial stability and allow each company to better serve its Florida customers. Each company will continue to operate under its current tariff so the transaction will be transparent to Florida customers.

We find the transaction to be in the public interest and approve the companies' request. If this Order is protested, RSL will be allowed to operate as the parent corporation of Cyberlink and ITC pending resolution of the protest.

It is, therefore,

ORDERED that if no person whose substantial interests are affected files a petition in the form and by the date specified in the Notice of Further Proceedings or Judicial Review of this Order, below, this Order shall become final and this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 29th day of August, 1996.
