**RE: APPLICATION FOR EXTENSION OF SERVICE AREA BY
FLORIDA CITIES WATER COMPANY IN BREVARD COUNTY**

Greetings:

The Sanitary Sewer Element of Brevard County's Comprehensive Plan, Policy 3.11, provides criteria for consideration of requests to expand privately owned sewage facilities. The Board of County Commissioners may approve such expansions after two public hearings.

Florida Cities Water Company has been provided a copy of this policy. As of this date, Florida Cities Water Company has not requested a Public Hearing by the Board of County Commissioners.

Brevard County does not own any water or wastewater facilities that are reasonably able to provide service to the proposed service expansion area.
