FINANCIAL CAPABILITY

Global Access Communications, Inc. has been a registered corporation for two years but started operation as a private funded company in March 1996, and as such we do not have a balance sheet to provide, but will provide you information to show financial capability.

We are in the business of prepaid phone cards which started in March 1996, and 95% of our sales are done on consignment which means that the Distributors (stores) at do not pay for these cards until they are sold.

Our records indicate that 90% of cards sold to the end user are used within three days.

We have enclosed Bank Statements and our Total Payments Balance Statement as to Moneys due Global Access from customers that have our cards, this amount totals \$66,550.04.

It is hope that this information would be use full and prove financial capability.

Yours truly

Herman Pieters
President.

EQUAL ACCESS EXCHANGE AREAS: EAEA means a geographic area, configured based on 1987 planned toll center/access tandem areas, in which local exchange companies are responsible for providing equal access to both carriers and customers of carriers in the most economically efficient manner.

EXCHANGE: The entire telephone plant and facilities used in providing telephone service to subscribers located in an exchange area. An exchange may include more than one central office unit.

EXCHANGE (SERVICE) AREA: The territory, including the base rate suburban and rural areas served by an exchange, within which local telephone service is furnished at the exchange rates applicable within that area.

EXTENDED AREA SERVICE: A type of telephone service furnished under tariff provision whereby subscribers of a given exchange or area may complete calls to, and receive messages from, one or more other contiguous exchanges without toll charges, or complete calls to one or more other exchanges without toll message charges.

FACILITIES BASED: An IXC that has its own transmission and/or switching equipment or other elements of equipment and does not rely on others to provide this service.

FOREIGN EXCHANGE SERVICES: A classification of exchange service furnished under tariff provisions whereby a subscriber may be provided telephone service from an exchange other than the one from which he would normally be served.

FEATURE GROUPS: General categories of unbundled tariffs to stipulate related services.

Feature Group A: Line side connections presently serving specialized common carriers.

Feature Group B: Trunk side connections without equal digit or code dialing.

Feature Group C: Trunk side connections presently serving AT&T-C.

Feature Group D: Equal trunk access with subscription.

INTEREXCHANGE COMPANY: means any telephone company, as defined in Section 364.02(4), F.S. (excluding Payphone Providers), which provides telecommunication service between exchange areas as those areas are described in the approved tariffs of individual local exchange companies.

INTER-OFFICE CALL: A telephone call originating in one central office unit or entity but terminating in another central office unit or entity both of which are in the same designated exchange area.

INTRA-OFFICE CALL: A telephone call originating and terminating within the same central office unit or entity.

INTRASTATE COMMUNICATIONS: The term denotes any communications in Florida subject to oversight by the Florida Public Service Commission as provided by the laws of the State.

INTRA-STATE TOLL MESSAGE: Those toll messages which originate and terminate within the same state.

LOCAL ACCESS AND TRANSPORT AREA: LATA means the geographic area established for the administration of communications service. It encompasses designated exchanges, which are grouped to serve common social, economic and other purposes.

LOCAL EXCHANGE COMPANY (LEC): Means any telephone company, as defined in Section 364.02(4), F.S., which, in addition to any other telephonic communication service, provides telecommunication service within exchange areas as those areas are described in the approved tariffs of the telephone company.

OPTIONAL CALLING PLAN: An optional service furnished under tariff provisions which recognizes a need of some subscribers for extended area calling without imposing the cost on the entire body of subscribers.

900 SERVICE: A service similar to 800 service, except this service is charged back to the customer based on first minute plus additional minute usage.

PIN NUMBER: A group of numbers used by a company to identify their customers.

PAY TELEPHONE SERVICE COMPANY: Means any telephone company, other than a Local Exchange Company, which provides pay telephone service as defined in Section 364.335(4), F.S.

POINT OF PRESENCE (POP): Bell-coined term which designates the
